### **NOTICE OF A DRAFT HAZARDOUS WASTE PERMIT**

**GE Greenville Gas Turbines, L.L.C**  
**300 Garlington Road**  
**Greenville, Greenville County, South Carolina**  
**Facility ID SCD 049 126 097**

SCDES has written a draft permit for hazardous waste management activities at the GE Greenville Gas Turbines, L.L.C. facility. The draft permit has been written to comply with the South Carolina Hazardous Waste Management Regulations and the Resource Conservation and Recovery Act, as amended by the Hazardous and Solid Waste Amendments.

The draft permit contains conditions for the following:

- Post-closure care of three hazardous waste management units;
- Identification of solid waste management units (SWMUs) and areas of concern (AOCs) at the facility and corrective action for those units, if needed;
- Waste minimization and land disposal restrictions.

**The draft permit is open for public comment from November 19, 2024 to January 8, 2025.** SCDES encourages all interested persons to participate in this permitting process.

**Written comments or requests for a formal public hearing must be submitted no later than January 8, 2025** and should be addressed to Ms. Stacey French, P.E. at the above SCDES address or by e-mail at: [Stacey.French@des.sc.gov](mailto:Stacey.French@des.sc.gov). All written comments received by January 8, 2025 will be considered before a final permit decision is made. If a public hearing is requested and scheduled, notice will be given at least thirty days in advance.

**Requests to be placed on the facility mailing list for notification of future public notices by the Division of Waste Management should be made in writing to the attention of Norma West at the above SCDES address or by e-mail at: [Norma.West@des.sc.gov](mailto:Norma.West@des.sc.gov).**

The draft permit, permit application, and other related information are available for review from **November 19, 2024 to January 8, 2025**, at the following location:
